James L. O'Brien

Mr. O'Brien,

*Over the past four years, we've not only had you as our Dean in our freshman year, but we are fortunate enough to wrap up our experience here at Greater New Bedford Voc-Tech with you as our Superintendent. Not many students can say they've had that happen to them.*

*You have always been someone we can turn to when we needed to. You've supported us in more ways than one: from being at the football games, basketball games and other sporting events, to showing up at the SkillsUSA District Conference, to the National Honor Society Induction, to being at lunch for us to approach you. Your continued support hasn't gone unnoticed. Thank you for all that you have done for the Class of 2016.*

*Kendra Bento '16  
Student Council President*

Being an exchange student in this school is pretty challenging. I want to thank all my teachers who helped me and let me share my culture. Thank you to all the friends that I made this year and that I will never forget. You are always welcome to Italy.

# Superintendent-Director

James L. O'Brien

*Congratulations to the class of 2016! I want to thank you for all your outstanding accomplishments during my first year as Superintendent-Director of Greater New Bedford Regional Vocational Technical High School. During your time here, you have received the necessary skills to successfully compete in an ever-changing global economy. Cherish the associations and friendships that you have made here even as you move on to bigger and better things. It is my hope that our school has served you well. I wish you all the very best.*

# Principal

Dream

Robert Watt

*Congratulations to the graduates of the Class of 2015. Life is about choices and you made a fantastic choice four years ago when you decided to attend Greater New Bedford Regional Vocational Technical High School. Many of you left behind some of your friends to come to this school and you were overwhelmed with the vast campus and a student body of over two thousand. However, you persevered, made new friends and familiarized yourself with our school. You went through the exploratory process and made another good choice when you selected your career and technical area.*

*During your time here you worked extremely hard to excel at the rigorous academic criteria and assessments set forth for every student in the Commonwealth. Additionally, you acquired the skills demanded of you by the Massachusetts Career and Technical Curriculum Frameworks. Upon leaving here you will have the skill sets necessary to enter a college or university, as well as, be able to compete in the increasingly sophisticated workforce.*

*I wish you well and hope you continue to work hard and make great choices throughout your life.*
